

Hill Country BMW Riders Club

"We are a club of friends who happen to love motorcycling."

Hill Country BMW Riders is a BMW Motorcycle Owners of America (MOA) Chartered Club (#90) in Austin, Texas.

We gather for breakfast every Saturday, hold a meeting on the first Tuesday of every month, and host a club Chili Run every November.

Twice yearly the club ventures forth on overnight trips - to Big Bend National Park in the spring and usually to Arkansas or New Mexico in the fall.

Our club also keeps a two-mile stretch of RM 165 neatly groomed, and provides motorcycles with competent riders to assist in Austin-area triathlons.

Club members regularly travel all over the country, and sometimes farther, usually with one or more other club members.

Full membership requires ownership of a BMW motorcycle and a \$20 annual fee. Associate membership requires only interest and the same \$20 fee. Visitors and guests are always welcome at any club event.

HCBMWR encourages members to share information about safety, best practices and risk management, to learn from each other's experiences, participate in track days and clinics, and to improve their riding skills with regular practice.

"We ride to breakfast: a club dedicated to safety, service, and breakfast."

I acknowledge that motorcycle riding is an inherently risky activity, but one that I choose to participate in nevertheless. I understand that I am solely responsible for operating my motorcycle in a manner that I judge to be safe, and am dependent on no one else for my safety. I hereby release Hill Country BMW Riders, Inc. of any and all liability for personal injury and/or property damage during, or as a result of, participation in any Club sponsored function.
